### Accurate Information

TruffleHunter warrants that all information in this specification is accurate and a true reflection of the materials, processes and activities at the suppliers manufacturing facilities where the raw materials are manufactured.

All information is supplied in accordance with the agreed product specification and comply with all relevant UK and EU legislation, and in accordance with SALSA Certification and HACCP principles. This includes compliance with relevant legislation covering the scope of manufacturing from the point of origin of materials through to the supply of the finished product and all activities in between such as processing, packaging storage, handling and labelling.

TruffleHunter UK is an US FDA Registered facility, and our products have been approved in accordance with US FDA Low Acid Filing Regulations. This specification is the property of TruffleHunter Ltd. Details on this specification must not be changed without prior agreement with TruffleHunter Ltd.

This product specification is up to date at the time of issue for a limited period only. We review and up-date our product specifications on a regular basis. The latest version is always available on request. If you have any specific questions, please do not hesitate to contact us at any time.
